

Register for your virtual visit

Virtual visits are **FREE** and open to all 9th–12th grade student groups in the country!

Learn more about the **25 undergraduate degree programs**. Explore different **career paths** in engineering and technology fields. Meet **current students** and hear about their Fulton Schools experiences.

Sessions available **January 18, 2021, through May 28, 2021**.

All visits include a presentation and a Q&A session with current students, known as **Fulton Ambassadors**. Visits are live via Zoom and last **approximately 60 or 90 minutes**.

Participants will receive **awesome Fulton Schools swag and brochures**.*

Choose from **three presentation options**:

1. General Fulton Schools Overview (60 min)
2. General Fulton Schools Overview + Career Paths (60 min)
3. General Fulton Schools Overview + Engineering Activity (90 min, capped at 30 participants/session)

**shipped approximately one week prior to the visit*
